Chapter 10. Incineration of PCB

IC 13-17-10-1

Permit and recommendation of local plan commission

Sec. 1. A person may not incinerate PCB in an incinerator unless the person:

- (1) holds a permit issued by the commissioner specifically authorizing the incineration of PCB in the incinerator; and
- (2) has received the recommendation of the local plan commission that has jurisdiction over the area in which the incinerator is located and the county executive of the county in which the incinerator is located has approved the incineration of the PCB or, if an appropriate local plan commission does not exist, the county executive of the county in which the incinerator is located has approved the incineration of the PCB.

IC 13-17-10-3

Alternative PCB technologies; study

Sec. 3. The department, in cooperation with the United States Environmental Protection Agency, an applicant for a permit issued under this chapter, and a city or town in which an incinerator described under section 1 of this chapter is or will be located, shall conduct a study of alternative PCB technologies. The study must include an assessment of the efficacy and the technical and economic feasibility of the following:

- (1) Alternative technologies such as the following:
 - (A) The application of lime to break down PCB.
 - (B) The low temperature thermal disorption process.
 - (C) Disorption and vaporization extraction.
 - (D) Plasma torch technology.
 - (E) Bacterial remediation.

- (2) Other technologies identified by the commissioner as having possible value in the treatment or disposal of PCB in Indiana.

As added by P.L.1-1996, SEC.7.

IC 13-17-10-4

Alternative PCB technologies; period for study; report

Sec. 4. (a) The study required by section 3 of this chapter must be concluded before January 1, 1996.

(b) At the conclusion of the study the commissioner shall prepare a report setting forth the results of the study. The commissioner shall:

(1) present the report to:

(A) the governor; and

(B) the general assembly; and

(2) make copies of the report available to the public.
